These journal style albums are available in six sizes—8x5, 8x8, 10x8, 10x10, 14x10 and 12x12 inches—three paper options and five colors. **SAFARI COLLECTION MINI ALBUMS** feature a DVD sleeve. Safari mini albums measure 6x6 inches and come in five textured cover options. [loktah.com](http://loktah.com)

Signature Collection in Rustic

The Client Creations package

### OFFERED BY: DIGILABS

With the **CLIENT CREATIONS** package, the photographer can sell a photography package with a keepsake box and let the client make his own album, or make the album for the client. Styles include the **ANZA FLUSH MOUNT** 20-page (front and back) photo album in 8x8 and 10x10 inches. It has a black leather cover (one-piece construction) and square-cut corners. The **MARINA** album has 20 to 80 sides in sizes 10x10, 12x12, and 11x14 or 14x11. The eight cover options include leather, animal-friendly materials, and matte or glossy wrap-around photos. DigiLabs Pro offers a 25-percent discount on your first purchase. Simply sign up for a free account. [digilabspro.com](http://digilabspro.com)

### OFFERED BY: ASUKABOOK

The **ZEN LAYFLAT IMPACT** line of coffee table-style photo books has new cover choices: black microsuede, brown carbon fiber, brushed metal silk, onyx silk, pearl silk and retro red. The laminate page finish continues seamlessly into the binding of the book for a full two-page spread. Available in 8x8, 10x10, 12x12 and 15x10 inches, with up to 100 laminate matte or glossy pages. The designable presentation box, lined with black felt, includes a DVD sleeve. DVD **PRESENTATION BOOKS** hold a DVD alongside a printed, bound photo book with glossy-coated hard pages, all in a slide-in case. Opposite the book is a single DVD placeholder protected by vellum paper. It measures 5.5x8 and can accommodate 6- to 10-page photo books. [asukabook.com](http://asukabook.com)

**OFFERED BY: KISS**

Kiss keeps it simple by minimizing choices: the **KISS BOOK**. You act as your clients' experienced guide, leading them to the perfect solution. You can order in less

than 60 seconds and receive an e-mail update at every step of production. You need only a few samples, and there's just one design template for all models and sizes. Clients have only the color and size to decide on, rather than a list of confusing variables and pricing charts. Choose the linen style with soft pages or the leather style with hard pages; seven colors and four sizes: 4x4, 8x8, 10x10, and 12x12. [kissweddingbooks.com](http://kissweddingbooks.com)

Dream Album

**OFFERED BY: DREAM ALBUM**

The signature **DREAM ALBUM** allows you to showcase your images from the outside in, with its distinctive water resistant, image-wrapped cover. These sophisticated albums are flush mounted on FUJI professional photo paper, matte coated, embossed and mounted, for finished pages 2mm thick. Albums can have 10 to 25 spreads, with black or milk core pages. Standard sizes range from 6x6 to 11x14, and custom sizes are available. Albums come in a handcrafted Japanese paper presentation box. **WISH ALBUMS** are economical and an excellent choice for gifts. Available in a 24-page, 10x10-inch format or a 20-page 8x8 format, these self-mount albums allow you to print your images at your own lab, then adhere them to the sturdy pages. These have the same waterproof image wrap cover and can be ordered in multiples of three at a reduced cost. [thedreamalbum.com](http://thedreamalbum.com)

**OFFERED BY: COLLAGES.NET**

Collages.net's **BRILLIANT ALBUM** features a photographic cover with a pearlescent metal sheen. The inside pages have a metallic look as well. The brand new **ACRYLIC ALBUM** is 20x8 with a see-through acrylic cover and leather spine and back cover. The 15x6 **MATTE ALBUM** with matte pages has a photographic cover with a velvety matte finish. Collages.net albums and books can be designed by the photographer with his own software, by the Collages.net design team, or with the free Mac- and PC-compatible design software from Collages.net, with over 150 templates. Production turnaround is as quick as two days. Photographers get a 30-percent discount on sample albums for the studio. [collages.net](http://collages.net)
